SUMMARY OF THE REASONS FOR DECISION:

The computer image file entitled *LL-C1 x5*, also known as *Photos\Hoskioki\LL-C1\LL-C1 x5*, is classified as:
Objectionable.

The computer image file promotes and supports the exploitation of children for sexual purposes by explicitly presenting a girl and a man engaged in sexual activity in a manner designed to titillate the viewer.

The publication is a computer image file of a colour photograph. The image is accessed from a Jaz disk formatted for an AppleMac computer. The title is typed across the top of the screen.

The photograph depicts a girl, who appears to be about eight years old, sitting on top of a man as he performs cunnilingus on her. The girl is kneeling over the man with her weight on his chest. The man is lying on his back with his hands either side of the girl's genitals. Part of his face is visible. The girl is wearing an aqua top which is raised to chest level. She is naked from her chest downwards.

The publication has been found to promote and support an activity listed in s3(2) of the Films, Videos, and Publications Classification Act 1993. This provision overrides s14 of the New Zealand Bill of Rights Act 1990 (NZBR Act) because it is a deeming provision which cannot be given a meaning that is consistent with the rights and freedoms set out in that section of the NZBR Act.
